

# The Hawthorne Players Present Their 76<sup>th</sup> Season of LIVE Theatre

The Hawthorne Players of Florissant are proud to announce their 2023 season. We open the season in March with the classic Neil Simon play, *Plaza Suite*. That is followed in July with the musical version of *The Color Purple*. Hawthorne has been waiting for the rights to be released to bring this moving story to the Florissant Performing Arts Center stage. That time has come! We end the season with a little known, but much heralded, small musical, *Daddy Long Legs*. See the show flyer for more details on each show.

Below is the season ticket order form. Please complete the form and mail to the address listed on the form. We will mail out your tickets by the end of February. If you provide an email address, the tickets will be emailed to you through Thundertix. We look forward to seeing you at the theatre!

Please call 314-368-9909 or email [hawthorneplayers@att.net](mailto:hawthorneplayers@att.net) with any questions you may have.
